Also be sure to check out the Rhapsody Exclusive, 'First Time ' Beyonce's impeccably produced sophomore release gets a facelift and a clutch of extra tracks, and sees her reaching out to the Latin community for the first time.. Founded all the way back in 1887, the company is now the oldest surviving brand name in recorded sound, and only the second to produce recorded records.. Columbia Bruce Springsteen, Daft Punk, Electric Light Orchestra, Pharrell Columbia Records boasts one of the most eclectic and star-studded music catalogues in existence, and is undoubtedly a huge supporter of Hi-Res audio.

Whether a thumping chant with clipped delivery (“Get Me Bodied”) or a playful duet with “friend” Jay-Z (“Upgrade U,” which posits Beyonce as competition for Mary J.. Even the two ballads (“Irreplaceable,” with its step-team hook, and “Resentment,” which draws heavily on Curtis Mayfield’s “Think”) feel like they have dirt on them.. Blige in the no-nonsense sweepstakes), she handles the material with aplomb: These may be her best, most assured performances.. Beyonce's impeccably produced sophomore release gets a facelift and a clutch of extra tracks, and sees her reaching out to the Latin community for the first time.. The diva does well in Spanish: she sounds confident and emotive on 'Irreemplazable' (and its engaging sister Nortena mix), while her re-working of the minor Dreamgirls ballad 'Listen' as 'Oye' delivers as well.
